Register For IBM Cloud

The screenshot shows the IBM Cloud Account settings page in a web browser. The browser's address bar displays the URL `cloud.ibm.com/account/settings`. The page features a dark sidebar on the left with a menu containing items like 'Account', 'Account resources', 'Cloud Foundry orgs', 'Licenses and entitlements', 'Tags', 'Dashboards', 'Account settings' (which is highlighted), 'IBM Cloud Shell settings', 'Notification distribution list', 'Classic infrastructure', 'Subscriptions', 'Audit log', and 'Company information'. The main content area is titled 'Account settings' and includes sections for 'Account' (showing the account name 'Viswanathan R's Account' and ID), 'Account Type' (Trial (Free) with 362 days remaining), and 'Account upgrade' (Pay-As-You-Go). There are buttons for 'Add credit card' and 'Upgrade'. On the right, a user profile dropdown for 'Viswanathan R' shows options for 'Profile', 'Log in to CLI and API', 'Privacy', 'Change theme', and 'Log out'. A 'Need help?' link to 'Contact sales' is also present.
